- Mentoring junior web developers, and providing technical support through code reviews.
- Proposing improvements to code organization and quality to increase overall performance.
- Providing advice and tips on how to maintain motivation to maintain longevity in the program.

PLAYING FOR CHANGE

Customer Service Manager

Remote
April 2020 – Present

- Continuously receiving outstanding customer reviews for my commitment and dedication to excellence.
- Saved the company thousands of dollars by detecting a major invoicing error.
- Attending clients in 4 different languages - German, English, Spanish, and French.

EDUCATION

MICROVERSE

Remote Full-Stack Web Development Program, Full Time

October 2021 – May 2022

- Striving for 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developing skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.
- Consistently finishing weekly tasks ahead of time, thus being able to study extra time.

TECHNISCHE UNIVERSITÄT BERLIN

BSc Landscape Planning and Architecture

October 2012 – August 2016

- Set up an environmental education project in an underprivileged community of El Alto, Bolivia.
